How to set up Elevate to access the XPLAN integration services

The XPLAN integration services are set up and configured specifically for your firm.

Already using Elevate and XPLAN?

You only have to request access once in two simple steps.

1. Complete the **Registration Form** available on our website
2. Email it to us at **Elevate_Enquiries@standardlife.com** or contact your Business Development Manager or Platform Relationship Manager with your request.

Not on Elevate?

If your firm uses XPLAN but not Elevate, you can access this new service when your firm signs up to the Elevate platform.

If you would like to find out more, please call **0345 600 2399** (open Monday to Friday 8am-6pm) or email **Elevate_Enquiries@standardlife.com**

How to set up XPLAN to access the Elevate integration services

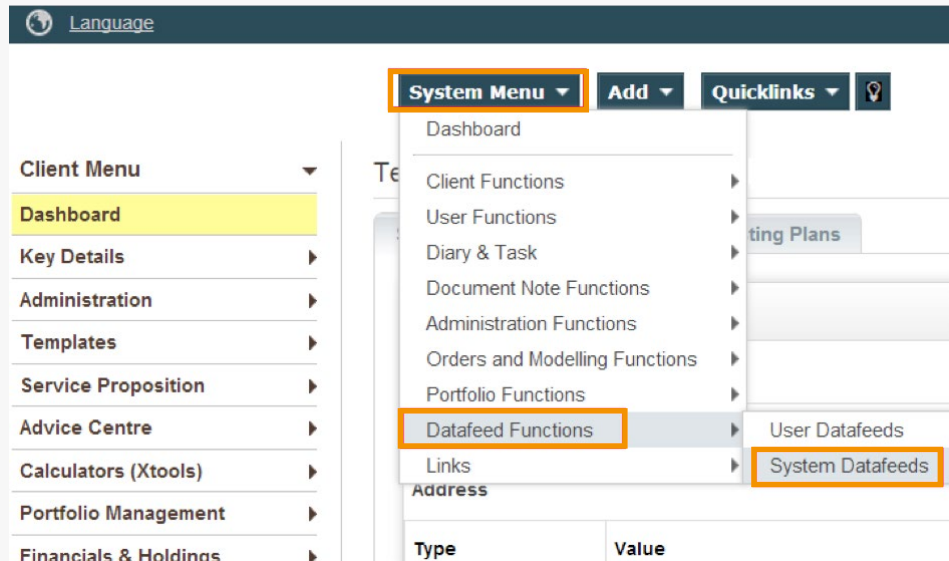

Your firm's XPLAN administrator must carry out a few simple steps in XPLAN before your firm's advisers and other users can use the Elevate integration services. The IRESS Support Team (0845 068 3000 or **clientsupport@iress.co.uk**) will be able to help you with this.

Full details of how to set up XPLAN, its features and services are available to download from the IRESS Client Extranet.

What you will need to do

Setting up Adviser Mappings from Elevate is a one off task. Once set up has been completed other advisers can use this and it only remains to set up the plans themselves for Valuations. The data held for an Elevate policy must exactly match the details input into XPLAN otherwise, a valuation will be unsuccessful

1. Select **System Menu > Datafeed Functions > System Datafeeds**
2. In the left hand navigation menu, select

Mappings > Advisers. Select **Elevate** from the dropdown option. Then click **Add Mapping** in the top right hand corner.

Notes

The Adviser Mapping is required to access online services from Elevate such as valuations.

To setup access please enter your FCA Firm Reference Number. If you have more than one you will need to add multiple Adviser Mappings.

Please note this is a bulk feed which will provide an automatic daily download of all Elevate held investment and cash positions. You will only need to add one Adviser Mapping (not one for each Adviser) the feed will then download all the data for the whole firm.

There is an additional level of security in place for this feed that will need to be performed by IRESS. Once you have set up the Adviser Mappings you will need to contact IRESS support on 0845 068 3000 or email clientsupport@iress.co.uk so that they can validate your Adviser Mappings.
